Virco Signs on as Strategic Partner With ASBO International

Reston, VA—February 12, 2009—Virco, Inc., the leading furniture and equipment manufacturer and supplier for the nation's K–12 schools, recently became a strategic partner of the Association of School Business Officials International (ASBO).

Committed to providing the best selection of furniture and equipment for educators, Virco is also a longtime supporter of the school business profession. For more than 15 years, Virco has honored outstanding practices and new ideas in the profession through ASBO's Pinnacle Awards—sponsoring the awards program from its inception. The strategic partner role will allow Virco to continue to make a difference for school business officials.

ASBO's new strategic partner platform—the highest level of partnership available to industry partners—allows companies to strengthen their commitment to the school business community through year-round collaboration with the association. For more information about the benefits for strategic partners, visit www.asbointl.org or contact Sabrina Soto at 703/708-7088.

Virco Inc. is America's leading furniture and equipment manufacturer and supplier for the K–12 market, providing thousands of customers with popular furniture items. Virco's industry-leading resource recovery and recycling program has been repeatedly honored by local, state, and national organizations, including the United States Environmental Protection Agency. For more information on the company, visit www.virco.com.

ASBO International, founded in 1910, is a professional organization of nearly 6,000 members that provides programs and services to promote the highest standards of school business management practices, professional growth, and the effective use of educational resources.
