

ASBO International OnDemand

ONLINE RESOURCES FOR
SCHOOL BUSINESS OFFICIALS

Association of School Business
Officials International

www.asbointl.org/OnDemand

YOUR NETWORK IS THE KEY TO YOUR CAREER DEVELOPMENT AND SUCCESS.

ASBO's ConnectEd is a Web-based community exclusively for ASBO International members to connect and share resources and expertise with other school business management professionals.

Member-to-Member Conversations

ASBO's ConnectEd lets you plug into the professional community at your convenience. You have ready access to the knowledge and experience of thousands of school business officials at your fingertips.

Here, you can

- Access the member directory and build a professional network of contacts.
- Join a discussion group or start one of your own.
- Send messages, ask questions, and get answers from professionals around the world.
- Read member blogs and start your own about the topics you are passionate about.

With ASBO's ConnectEd, you can tailor your member experience to meet your school district's needs and your specific interests.

The screenshot displays the ASBO International website interface. At the top, the ASBO logo is on the left, and the text "Association of School Business Officials International" is in the center. A navigation bar below the logo includes links for HOME, MY PROFILE, DIRECTORY, RESOURCES, DISCUSSIONS, EVENTS, and BLOGS. A search bar is located on the right side of the navigation bar. Below the navigation bar, there are three main content areas: "Quick Links" with icons for Communities, Members, and eGroups; "Announcements" featuring a post titled "ED Review-December 9, 2011 A bi-weekly update on U.S. Department of Education activities" by John Musso; and "Video Highlight" featuring a video titled "ASBO On Demand" by Anna Bishop. On the right side, there is a "Getting Started" section with a numbered list of steps for new users, and a "Most Active Members" section listing members like David Varda, Shirley Hassman, and Heidi Stoksbury.

“ASBO’s ConnectEd lets you benefit from the collective input and experience of a group without having to leave your office.”

Marvin L. Dereef, SFO

Executive Director of Budget Services
Fulton County Schools
Atlanta, GA

Share Ideas and Knowledge in a Secure Environment

The ASBO ConnectEd resource library provides a secure workspace for school business officials to nurture ideas and complete projects collaboratively.

By tapping into the growing collection of school district policies, procedures, sample RFPs, and other community resources, you can model the success of other school districts and save time and resources.

From best practices to samples and tips, the resource library is a trusted source to find and share documents that help you succeed in your career

The Perfect Blend of Technology and Community

Whether you're looking to discuss current federal legislation, find the latest research from education think tanks, read in-depth articles on school business matters, or model samples of purchasing and contract RFP documents, ASBO's ConnectEd is the online community that delivers valuable resources at every stage of your career.

Visit www.asbointl.org/ConnectEd to build your member profile and get started today.

More On-Demand Resources from ASBO International
